Large crowd enjoys Remembrance Day Banquet & Dance

The newer hall at Club Moombo was filled to capacity for the banquet and dance arranged by the Royal Canadian Legion St. Albert Branch on the evening of November 11th. Following O'Canada, a most appropriate Grace was said by Rev. Len Musto to open the banquet program.

Mr. Wally Swenarchuk, past president of the Legion acted as master of ceremonies, and introduced representatives of St. Albert service clubs who were special guests: Mr. and Mrs. Ken Moore of the Lions Club, Mr. and Mrs. Dave Stewart of the Kinmen, Mr. and Mrs. John Kaminski of the Breakfast Lions Club, Mr. Ron Blakeman of the newly-formed Kiwanis Club, Mr. and Mrs. Roger Montpetit of the Knights of Columbus and Mr. and Mrs. Larry Mitchell of the Gazette.

At the head table were Mr. Les Gault, Commanding Officer of St. Albert Air Cadet Squadron, and Mrs. Gault; Mayor Ray Gibbon and Mrs. Gibbon; MIA Ernie Jamison and Mrs. Jamison; Wally and Mrs. Swenarchuk, Mr. Doug Taylor, Mrs. Maude Potter, Mr. and Mrs. Geoff Wright and District Commander Percy Rossiter and Mrs. Rossiter, and Rev. Len Musto. Lt./Col. S. P. Northrop and

Mrs. Northrop were delayed, and joined the gathering later in the evening. Mayor Ray Gibbon brought greetings from the town and spoke briefly on possessions we all have that we bought with money, and of what people possess that was purchased at great cost by men of the armed forces. "Without them we would not be here enjoying this evening," he concluded.

Ernie Jamison, MIA and guest speaker for the occasion referred to the Legion's theme in 1971: "If you can't remember . . . Think". He said the theme "takes a realistic look at our population's age grouping, recognizing the fact that 60 per cent of the population is under 30 years of age."

Hyndman addresses teachers

The Honorable Mr. Lou Hyndman, minister of education, spoke to about 400 educators from St. Albert and surrounding area at a noon luncheon on Friday, November 12 at the Bonaventure Hotel. The luncheon was part of the one-day teachers' institute.

Mr. Hyndman, speaking informally and off the cuff, talked about six key issues in education before opening a 10 minute question answer session.

"The government is looking in new directions and new areas," the minister said. He then assured the audience that there will be "no change just for the sake of change;" that the next 30 years, may bring about some surprising changes he added.

The following are the issues or areas being looked at by the government at the present time.

*Grade XII Departmental Examinations *Curriculum *School Buildings *Local involvement by teachers, boards, parents and community *Modified School Year *Teacher Education Program

Mr. Hyndman mentioned some alternatives being studied in each of these areas but cautioned not to expect too much before January 1, 1973 which marks the end of the previous governments three year education program.

Town has no solution to sewer problem - Lukay

Councillor Lukay seized his opportunity under new business Monday night to request a report on the sewer study from staff. The report is to include the date when council may expect the final report of Stanley Associates; what this report has cost to date and what are possible additional costs of the completed report.

Lukay has persistently taken the position that the Stanley report is taking too long to complete, and that in the meantime no action should be taken by council on the proposed trunk line and lagoon leading into the North Saskatchewan. He has stated his opinion on more than one occasion in council, that until the final report is in, and financing a new sewer project is satisfactorily arranged, further development in St. Albert should be halted.

"If we are going to borrow four million dollars to build a trunk sewer, we are sticking our necks away out" said Mr. Lukay in an interview Tuesday. "And primarily we are sticking them out for two major developers, BACM and Allarco walk away with a fat profit on the lands annexed, and yet it is because of these large developments that this sewer project is necessary."

Mr. Lukay feels the developers should be assessed higher off-site costs - and that these should have been raised before now. "It is about a year since I raised the matter of reviewing these costs, and asked the town engineer for basic statistics which we could project to ensure that development would be paying its way. 'This has not been done, although I believe council now realizes we are undercharging. I say let's start now to raise these offsite costs," said Mr.

M. D. election

Ten candidates are seeking election in four divisions in the MD Sturgeon election, November 24. Polls are open from 10 a.m. to 8 p.m. Seeking the seat for division one are Ed Courchesne and James Speer.

Harold Paul and Reg Crozier are running in division two.

Three candidates are seeking the post in division four; they are Glenn Berry, Frank Comeau and Angus McDonnell.

Walter Jerma, Ted Hancock and Don Bevington are the candidates in division seven.

Reg Austin will be in attendance at the MD of Sturgeon office on the evening of November 24, until 11 p.m., tabulating the election results. Residents of the district will be able to get the unofficial results by calling 424-6276.

Lukay.

A proposal contained in the first stage of the Stanley report which has not been given sufficient consideration by council, according to Mr. Lukay, is increasing the dikes and aerating the existing lagoons. At a cost of approximately \$700,000 such a project would serve a population up to 20,000 in accordance with Department of Environment regulations. "While this would be a lost cause after we go over that population, it is in the best answer in the present situation," he said.

When Mr. Stanley met with council to go over stage one of the report, I asked him how long after we construct this trunk line will it be before the Department of Environment decides that pollution of the North Saskatchewan must be curbed and the line could not be used without further expenditures for complex sewage facilities which may perhaps have been built in St. Albert in the first place. He could not say, and suggested I ask the Department of Environment. Mr. Lukay felt that this is one of the factors which should have been investigated by Stanley Associates as part of the sewer study.

"My great concern" said Coun. Lukay is that present taxpayers could face an increase in the mill rate of 5 - 9 mills, which could kill development, and start people screaming for amalgamation with the city." This is the reason Mr. Lukay has tried to persuade council to rescind a resolution under which an agreement is ready for signature to start design work on the proposed trunk sewer by Stanley Associates.

Even with the University involved in cost sharing of the project I was not persuaded the town could afford this project, and right now as I see it we have no solution to the problem at all" concluded Councillor Lukay, while admitting he does not have the support of his fellow councillors in this opinion.

Sing Out concert Friday

Sing Out St. Albert will present their second concert, Everything is Changing, at the George Simpson auditorium this Friday evening, starting at 8 o'clock. The group is under the direction of John Lindley and counts in excess of 40 voices.

Tickets, at \$1 for adults, 75 cents for students and 50 cents for children are available at the door.

Mrs. Geoff Wright presents a cheque to President Doug Taylor of the St. Albert Legion, on behalf of the Ladies Auxiliary, "for the building fund." Seated at right is Mrs. Maude Potter, Silver Cross mother and seen at left are Wally Swenarchuk, master of ceremonies for the banquet, Mayor Ray Gibbon and Shirley Jamison. Also presented during the banquet program was a cheque from the Legion to Commanding Officer Les Gault of the Air Cadet Squadron.

Council will invite school boards- M. D. "dialogue" meetings

Council completed this week's agenda with some 40 minutes left for new business before 11 p.m. Coun. Hudson moved that staff be requested to set up a meeting with the two school boards, and after the MD elections, a meeting with Sturgeon council. "We have learned this past week that discussion between various boards and groups can be useful," Hudson said. "I would like these meetings to be in 'dialogue' style where both groups able to air any difficulties and explore ways we can help them and vice-versa."

Lukay thought council could "perhaps just approach them and indicate we would be willing to meet them." But Bakker said such meetings are "a function of council and we can help each other." Mayor

Gibbon pointed out that council does meet with school boards on such matters as school sites, and then are "well aware we are available." Hudson's motion carried 7 - 0.

Coun. Hudson also noted that parking at the curling rink is not adequate, and suggested that the area on

the west side could handle it, if lighted and kept clear. Mayor Gibbon said the Legion have agreed to the rink using this area and that possibly two lights in the lane rented from Calgary Power would serve. Regarding lane parking he pointed out that the entrance to the back door of the Legion should be left clear. Lukay felt the curling club should arrange for the power. Motions to have the town install lights and arrange regular clearing carried 6 - 1 and 7 - 0.

Kiwanis coming to St. Albert

The Kiwanis Club of St. Albert, now in the process of formation, would be interested in hearing from any residents of St. Albert who might be interested in joining the organization.

Kiwanis International is a men's service organization whose stated purpose, "Service to Youth, Community and Nation," is an apt description of the work its members undertake. They are men from the community who voluntarily share in community leadership. Its members are motivated by a common desire to serve, plus a desire for fellowship.

Several hundred St. Albert residents attended the Remembrance Day parade and services on Thursday, arranged by the St. Albert Branch of the Royal Canadian Legion. Many local organizations participated and both the Air Cadet and Lions Bands. Photo was taken during the laying of wreaths ceremony.

Remembrance CONTINUED FROM PAGE 1

In an age of vociferous protest groups, one hears a great deal about liberty, civil rights, opportunities for youth and "doing one's thing." The 1971 Remembrance theme attempts to repatriate one word, a word which somehow has become foreign to too many of us. That word is "responsibility."

The message very simply is: "If you can't remember war, think of the Peace and your Duty as a Canadian citizen!" said Mr. Jamison.

"Remembrance is a time during which we all can examine our sense of responsibility as Canadian citizens. If we don't do it on this day -- when else in our fun -- disposed calendar will we find time to make a true assessment of ourselves as citizens of this country and of the world?"

In concluding Mr. Jamison paid tribute to the men and women of the Legion, who since the First World War have lived up to the original intention of the Legion. "Justice to those who suffered disabilities through their service and help to their surviving dependents through the years."

Comrade Jim Dobbie and

Mrs. Maude Potter led off the dance that followed. Mr. Lorne Atkins, the only member of the St. Albert Legion who is a veteran of the First World War, had the spotlight early in the dance and recited, entirely from memory, the ballad of the Battle of Flodden, on the war between the Scots and the British. While school boys of

today may never learn it, the stirring lines were singularly appropriate on the eve of Remembrance Day, and Mr. Atkins was given an enthusiastic round of applause by the crowd of about 160. Dancing continued till after midnight and the evening was much enjoyed by all present.

Kiwanis

CONTINUED FROM PAGE 1

Kiwanis serves in the United States, Canada, Mexico, Central America and South America, the Far East, the Southwest Pacific and in Europe.

The Kiwanis Club of St. Albert will meet once a week in St. Albert for a dinner meeting at the Purple Dude restaurant. These meetings provide the fellowship that makes for part of the appeal. The other part comes from the community service work carried on outside meeting times. Kiwanians work with youth, senior citizens, the poor, the mentally retarded and the sick.

The major theme for Kiwanis International this year is "Unite for Progress in Operation Drug Alert and Project Environment."

Interested persons are invited to contact Paul Ancel at 599-6864 or 429-4302 (bus.).

Calgary Baha'i to visit St. Albert

St. Albert Baha'i Group has planned several activities centered around the visit of Angus Cowan of Calgary this weekend.

One of these will be a meeting with films for the young people of the area to be held in the lecture room of St. Albert Library Saturday evening, November 20 at 8 o'clock. Another will be a study-discussion session directed by Mr. Cowan for local Baha'is. A Sunday afternoon tea for many St. Albert residents has also been arranged.

Interspersed with these activities, Mr. Cowan will be available to meet informally with individuals.

The Baha'i Faith is an independent world religion and teaches the oneness of mankind and the fundamental oneness of all religions.

Mr. Cowan as a Baha'i has been actively involved in several communities in Western Canada for the past 20 years and for a number of years served on the national administrative body. He will be accompanied by a college basketball coach's office: "I'm busy, but if you can see over the transom, come in."

Sign on the door of a college basketball coach's office: "I'm busy, but if you can see over the transom, come in."

President of the St. Albert Breakfast Lions, John Kaminski, presents a cheque for \$500 to Anna Hesse, librarian and Anne Hapchyn of the St. Albert library board. At left is Adam Hauptman, vice-president of the Breakfast Lions. The sizeable donation will be used to purchase children's books for the St. Albert Library.

Paul Kane By Holly Hill

Paul Kane's telephone book goes on sale this week.

The book is being printed and sold by the business organization and management class.

The BOM class is also responsible for the school year sales and received 60 orders by last Wednesday, which was the final day of sales.

VOLLEYBALL:
PK's boys played really well in the Ardrossan tournament last Saturday.

In the preliminaries the boys defeated Westlock and St. Albert High, they lost to Salisbury. In the Westlock game the boys were down 11-1 but came ahead to win 16-14. In the semi-finals they lost the first game 15-4 and won the last two games 15-9, 15-10. They lost the first game of the finals against Salisbury 15-2, then won 15-2 but lost the last game after a very good fight 15-14. The girls didn't do so well, beating Ardrossan, but losing to Westlock and SAH.

Saturday the boys will be travelling to Salisbury for an all boy tournament.

PARENT-TEACHER INTERVIEWS:

Students at Paul Kane received their report cards last Wednesday and today parents had an opportunity to talk over the marks with the teachers.

CURLING:
There was no school curling last Thursday due to the Remembrance Day holiday.

In the Senior City school boy's league, Paul Kane's team with Layne Bryant, skip; Terry Mitchell, third; Norman Ham, second; and Brad Hoosler, first; remains undefeated.

Hog Slaughter up

The dramatic rise in hog slaughter, which was the major development in the livestock economy in 1970, continued into 1971.

To the end of August this year, hog slaughter increased by 24 per cent over the same period in 1970.

These figures are included in the annual situation report issued in conjunction with the Canadian Agricultural Outlook Conference.

Inspected beef cattle slaughter to the end of August increased four per cent over the corresponding period of 1970. The largest slaughter increase occurred in western Canada, due mainly to a 12 per cent slaughter increase in Alberta.

Canadian milk production continued its downward trend, with milk production in the first eight months of 1971 totalling 12.1 billion

pounds, 4.1 per cent below the level in the same period of 1970. Milk cow numbers at June 1 were down two per cent from June 1, 1970.

Sheep and lambs marketed on public stockyards and shipped to packing plants by mid-September were up 3.6 thousand over the same period of 1970.

Card of Thanks

The St. Albert Branch #271 of the Royal Canadian Legion takes this opportunity to thank all the citizens who participated in our Remembrance Day parade and service.

To all who purchased a poppy during our November drive; to the St. Albert Air Cadets who did such a wonderful job during the canvass;

To Royal Canadian Mounted Police for their assistance and participation; to Mrs. Maude Potter, Silver Cross Mother; Mr. Ernie Jamison, M.L.A. representing Provincial Government; Mayor Ray Gibson, representing Town of St. Albert; Mr. Percy Rosseter, representative from Provincial Command, Royal Canadian Legion; Lt. Col. Northrup, Cdn. Forces Base Namoo and to Capt. Gault, Commanding Officer, St. Albert Air Cadets;

To the Guard of Honor at Cenotaph; St. Albert Service Clubs; Lions Club, Community League, St. Albert W.I., St. Albert C.W.L., Father Lacombe Chapter IOOE, Boy Scouts and Girl Guides;

Our appreciation goes also to the following St. Albert business establishments: St. Albert Bakery, Johnston's Meat Enterprises, St. Albert Carpeting, R. Kambour-off and Co. Accountants, Grandin Agencies, St. Albert Credit Union, Bruin Inn, Rogers Esso Service, Pacific 66 Service, St. Albert Safeway, Jim Byrne Men's Wear, Tompkins Hardware, Grandin Barbers and Beauty Salon, Bank of Nova Scotia, Grandin Cleaners, Grandin Medical Clinic, Hutchings Shoes, Grandin Coffee Counter, Emery's Pipe Shop;

And to private citizens: Mrs. S. Brook, Mrs. Blair, Mrs. V. Breland, Mr. A. McCormack, for the purchase of wreaths.

Thank you to Reverend Musto and Father Lavange for their spiritual guidance at our service; Comrade Dobbie, parade marshal and to Comrade O'Kendall Sgt. at Arms and his Color Party.

To Comrade Past President W. Swenarchuk, Chairman of Armistice Committee, whose hard work and planning were instrumental in the success of the parade.

Comrade Lefebvre, Entertainment Chairman and his committee for their fine efforts on the Armistice Banquet and Dance.

And last but far from least, we thank the Ladies Auxiliary of Branch #271 who do a lot of work for us, but somehow never really get the credit they so richly deserve.

We remain Yours In Service,
St. Albert Legion Branch #271

AROUND TOWN

Doug Kane of St. Albert is anxious to contact any of the persons who assisted him in an accident he suffered on hallowe'en night. Doug was struck by a car and knocked down on the road in front of the Bruin Inn. The car stopped and some people who witnessed the mishap assisted in getting Doug into it, and he was driven to the hospital. Doug is recovering nicely but would very much appreciate hearing from any of the people who assisted him. His telephone number during the day is 479-5122.

Deadline is fast approaching on nominations for the Citizen of the Year, and Mr. Jim Oliphant, Chamber of Commerce award chairman wishes to remind local groups and individuals that their nominations must be submitted by December 1st. Entries should contain pertinent information on the candidate in written form and will be judged by an independent committee on the basis of good citizenship.

Comets three and one in league play

St. Albert Comets senior hockey team moved into top spot in the Edmonton Central Hockey League with two victories last weekend.

On Friday, Joe Cassidy scored with 20 seconds to play in the third period, to give the Comets a 9-8 win over Ray's Esso who have yet to win a game in four starts. Comets are now 3-1 in league play.

Comets took a 3-2 first period lead on two goals by Jake Contant and one from his brother Claude. Rich Perrault, Al Laplante and Terry Dube scored in the second to give the Comets a 6-3 lead.

Jim Read and Rich Perrault scored early in the third, to offset two goals from Ray's, and took an 8-5 lead with only 10 minutes to play. Comets then went sour and allowed Ray's to score three goals in eight minutes and tie the score.

With less than a minute left, starry forward Al Laplante made a rink length rush and then passed to veteran Joe Cassidy who made no mistake as he blasted in the winner from about 15 feet out.

Al Laplante was named the Comet's most valuable player on the strength of his over-all play. In addition to his goal he picked up four assists.

On Sunday, the Comets travelled to Sherwood Park

JOE CASSIDY

and came away with an excellent 6-4 win over the Barons. Jake Contant continued to shine, scoring two goals including the winner. Defenseman Rich Perrault also blinked the light twice while Jim Read and Captain Fred Hesse added the others. Comets were never behind as they lead 3-1 after one and 5-3 after two. Jim Read was named the Comet's most valuable player and looks as if he is starting to jell with his new linemates, the Contant brothers. Comets took 7 of 12 penalties.

Comets next league game will be this Friday in St. Albert when the Winterburn club comes to town. Winterburn are just fresh off a

6-5 win over Leduc.

Winterburn's only other league game was a 3-1 loss to Stony Plain. The Comets will then have a nine day lay-off before their next league game in Stony Plain on Nov. 28.

Kinsmen Warlords move into first place

St. Albert Kinsmen Warlords moved into first place in the St. Albert Men's Hockey League with a come from behind 5-3 win over National Life Bruins last Monday.

Terry Moore opened the scoring for the Warlords in the first period on an assist from defenseman Ev Tremper. National Life tied the game just before the period ended on a power play goal by Don Knall. The Bruins took the lead in the second when Hector Ringue found the mark and then went ahead 3-1 with Gerry Bourassa blinking the light.

Louie Martineau scored for the Warlords on a passing play set up by Fred Calkins and then Terry Moore, with his second of the game, tied the score. Moore's goal was set up by an excellent play from winger Marsh Marmaluk. The second period ended 3-3. The Kinsmen took the lead on a goal by Larry Mitchell after Jamie Burton had hit the goal-post. Burton scored the insurance marker one minute later on a pass from Mitchell.

Thursday the Bruins and Calgary Power Keds battled to a 5-5 tie. Darryl Knox and Link Dryman scored

two each for the Power Keds while Larry Wolbeck added the other. League standings as of Monday, Nov. 15:

Wildcats take two

St. Albert Wildcats opened the Edmonton Rural Mid-geet BB Hockey League with a 5-3 win over Ardrossan last Wednesday. Jack Werbecki led the Wildcats with a pair and Steve Hoffart, Doug Wallin and Stu Ballentine added single markers. On Sunday in St. Albert, defenseman Doug McEnezie scored with 10 seconds to go in the game to give the Wildcats a 2-2 tie with the St. Albert Bruins. It was the Bruins first game of the year.

Bruins, who were not expected to give much of a fight, held the Wildcats in check for the first period and took the lead 1-0 on a goal from Doug Reinbold in the second. The Wildcats finally got on the scoreboard in the third when Doug Wallin fired

a long shot that eluded Bruin goalie Carey Winquist. The Bruins took the lead 2-1 when Jimmy Hole fired a shot from close-in that found the mark. McKenzie then

scored the equalizer with 10 seconds remaining. Both goalies played very steady, kicking out many labelled shots.

Meteors whip Tigers

St. Albert's Meteors Senior B hockey club sporting new uniforms (Chicago Blackhawks), had no trouble at all in whipping the Allendale ETS Tigers 15-4 in St. Albert last Sunday. The strangest aspect of the game is how the Tigers ever scored the four goals as they were completely outclassed at every turn by the Meteors. Had it not been for the play of the Tiger netminder, the score easily could have been doubled as the Meteors were allowed to shoot at will.

Lloyd (Boggy) Cunningham was probably the Meteors best forward as he found the range for three goals and added two assists.

Ex-Comet Dave Roberge added a pair as did Doug Belcourt. Single markers went to Hank Warunki, Mike Belcourt, Ed Wheeler, Dick Lovelock, Maurice Hope and Ron Kalela, a late cut from the Comets.

Meteors next game will be this Sunday in St. Albert against the Jasper Place Flyers at 7:30 p.m.

In front from left are Doug Geres, Terry Laddy, Eric Bergman, Don Hunt, Lanny Averill and Casey Anderson. Standing are Brian Ferguson, Eddie Pachal, Jack Bendera, Ken Sim, Ralph Vandenberg, co-captains Allan Muston and Peter Upright, and Kevin McKenzie. Coached by Jim Morrison and Gary Underschlutz, the team topped the inter-school league which includes Father Jan, St. Albert High and Sir Alexander Mackenzie schools. Presentation was made at the dance held last Wednesday at Simpson school.

ST. ALBERT RECREATION HI — LITES

Information about recreational programs being carried on in St. Albert can be obtained by phoning the Department of Recreation at 599-6601; it is not possible to refer to them all each week. Newcomers especially may be interested in programs which are being planned for the New Year.

Junior Volley Ball

The first annual Junior High Volleyball Tournament will be held this weekend at Camilla School in Riviere Qui Barre. Playoffs are scheduled for 4 p.m.

The eight teams participating are St. Albert High, Sir George Simpson, Wellington (Edmonton), Fort Saskatchewan, Bon Accord, Gibbons, George Vanier and host Camilla.

Westlock swamps Bantams

The St. Albert Fire Chiefs (bantam) representative team travelled to Westlock last Saturday and were swamped 13 - 2. The Fire Chiefs were short five of their top players and allowed Westlock to score eight times in the third period. Gary Ferguson scored both goals for St. Albert. The Fire Chiefs first

home game in the Edmonton Rural Bantam BB Hockey League goes Thursday at 8 p.m. when Barrhead will be the visitors.

Players will be held on Sunday, Nov. 21 at 8 p.m. in the Clubhouse.

There may be "walk-throughs" of the plays - there may be discussion about how the plays would be produced; it depends on the general feeling of those attending.

As stated before, experience is not a requirement; interest and enthusiasm are, **ACTIVITY NIGHT:**

The gymnasium in Sir George Simpson School continues to be very popular places on Tuesday evenings. They are open from 7:30 - 10 p.m. for badminton, volleyball and basketball. **SPORTS CLUB:**

This is another "unstructured activity," meeting on Thursday evenings in Father Jan School from 8 - 10 p.m. Volleyball is played with great enthusiasm and the uninitiated quickly become initiated.

SQUARE DANCING:

The next regular dance of the St. Albert Saints and Sinners will be held in Sir Alexander Mackenzie School on Saturday, Nov. 20.

Beginners' classes are being sponsored by the group. Information about these and the regular dances can be obtained by phoning Mrs. Larkins at 599-6278 or Mrs. Terrault at 599-6896. **SKATING PRACTICE:**

Practice time in the arena has been allocated to the participants in the learn-to-skate classes from 5:30 - 6 p.m. on Tuesdays. Participants in all figure skating classes can practice from 6:30 - 8 a.m. on Fridays.

ESCAPE FROM THE PLANET OF THE APES

ST. ALBERT DRIVE-IN

Juveniles take a win and a loss

The St. Albert Juveniles hockey team defeated the Fort Saskatchewan Traders 6 - 2 in a penalty filled, Edmonton Rural Hockey League game played in St. Albert last Monday evening. The first two periods were well played with St. Albert holding the edge in play, as they scored two in the first and four in the second. Fort managed one in each of the first two periods while the last period was scoreless. With only three minutes to play, tempers flared and referees Don Fender and Garry Rix handed out seven fighting penalties with St. Albert taking three. In all a total of 31 penalties were handed out.

St. Albert goal scorers were Greg McRae, Dave

Lockhart, Willie Gruber, Craig Neeser and Doug Ferguson. Wayne Teitz and Jim Loree replied for the Fort.

Saturday in Leduc the St. Albert club were defeated 5 - 3 in a game that saw 36 penalties called with St. Albert taking 20.

Doug Ferguson, Willie Gruber and Jim Edwards scored for St. Albert while Al Moienka had a hat trick for Leduc.

St. Albert coach Dave Moill has advised his players to cut out the unnecessary infractions as 35 penalties in two games are far too many.

The Juveniles have the players to compete with any team in the league but if the penalty parade continues, it will seriously hamper their chances.

P&R - Joint use meet this week

Meetings of the Joint-Use Committee and the St. Albert Parks and Recreation Board will be held in the Council Chambers on Thursday, Nov. 18, the committee meeting at 5 p.m. and the board at 5:30 p.m.

These meetings are open to the public and anyone interested in the use and development of the recreational facilities in the town is invited to attend.

Presentations may be made by organizations or individuals to the Parks and Recreation Board and should

be addressed to the Secretary, St. Albert Parks and Recreation Board, Town Hall, St. Albert.

Council candidates express their views

JIM SPEER

Jim Speer

Because there are many issues such as annexation, changes in municipal taxation and pollution control facing our municipality, I have decided to run for councillor in Division #1.

I am a newcomer to community affairs having been involved in community league activities in both executive and coaching capacities for the past 12 years. I have also served on the Regional Recreation Board for the MD of Sturgeon. I feel that this experience qualifies me to serve as your councillor.

As a lifelong resident of Sturgeon I am conversant with the problems of our area and am prepared to act decisively to solve them. If elected I will keep the residents of Division #1 fully informed on all issues.

On November 24 vote for an experienced community leader.

tes, and discussed problems and affairs of the municipality as a whole. One common complaint was lack of communication between council and the public, as the local paper has not carried minutes of council meetings for some time. This I believe should be rectified.

GLENN BERRY

Roads, are also a common subject all over the district, and, I cannot help but agree, do need considerable upgrading. I am always willing to meet anyone who has problems, complaints or grievances to discuss them and present these at council meetings.

If elected I will strive to bring better relations between the public and council. To receive the best possible value for your tax dollar. To work for the best interest of the municipal district as a whole, to make it a better place in which to live, work, and play. With all this in mind I solicit your vote on November 24th.

Glenn Berry McDonnell

During the past weeks, I have met and visited a great number of people in this district. All were very hospitable, some inviting me in for a cup of coffee or

years farming in the area I have always followed both community and municipal affairs with a great deal of interest, and for five years served on the Agricultural Services Board.

I believe I have a sound knowledge of both the problems and the needs of farm people and the kind of experience which qualifies me to give good representation on council.

If you elect me on November 24th I assure you I will make the time available to attend the meetings involved, and also to keep in touch with the people in Division 4 who will have need of assistance from their councillor on time to time.

Road construction and maintenance is an important part of healthy farm operation and would receive my attention and investigation. At the same time I believe in good value for dollars spent and in imaginative planning for future development in MD Sturgeon.

These matters, and indeed all aspects of good municipal government require the ideas and thinking of the whole council, and I believe I could work in good co-operation with my fellow councillors in MD Sturgeon.

I ask for your support at the polls next Wednesday.

Fashion comeback for silver fox?

"As a result of changes in style trends and exquisite innovations on the part of designers and manufacturers," says Canadian fur marketing specialist Lloyd Lockerby, "silver fox furs are regaining wider acceptance, along with the other long-haired furs." The silvers are outselling other fox furs. The expert from Hamilton, P.E.I., sees problems ahead for any silver fox resurgence, however, if the U.S. 10 per cent surtax on imports is not removed prior to the opening

of the new fur marketing season. A substantial portion of Canadian fox furs goes to the U.S., so Canadian fox breeders may be obliged to focus attention on other fur sales outlets. Nothing but bad news was Lockerby's assessment of the mink market, though he thinks the great reduction in breeding stock, with breeders forced out of the business for economic reasons, might point to a brighter mink sales outlook for those remaining in the industry for the coming year.

Keep that job

It's no time to be looking for a job, even if you're in the professional ranks. The Technical Service Council says so far there's no sign of the usual seasonal upturn in job openings for executives, accountants, engineers and other professionals. The council, set up by industry to combat the brain drain, has about 900 openings on its list, but nearly all are for replacements, rather than jobs created by expansion. This is because companies are hiring only when they must. And, the competition's terrible. A \$20,000 opening for a marketing manager produced 100 replies, nearly all of them already sales managers.

As an \$18,000 vacancy for a controller brought 110 applications, most from chartered accountants. A \$9,000 opening for a quality control technician produced 1,000 candidates. A bank looking for a number of management trainees has just interviewed 1,000 candidates, but considered only eight acceptable. One good line to be in, if you've got experience: sales engineers. Some employers report spending three months to find a man.

Indian Theme chosen for Library Week

This year the theme of young Canada's Book Week is the Indian people. St. Albert Library is actively supporting the week and local people are invited to take their children to the library to see the displays and books about our natives.

Patron, Chief Dan George has written the following message:

The world of books plays a very important part in the lives of people of all ages, but the ways of teaching and learning among my people are different.

Because the Indians of North America in the past had no written language, they had to teach their children verbally. Stories were told and retold to the young people, but most important we believed in learning by example. If the parents were good people, the children followed in their footsteps.

CHIEF DAN GEORGE

living out the spoken words of their fathers.

Now in an age of written words, it is my hope that someday the native students of North America will write the true story of how the Indians lived centuries ago.

At present, I am involved in the world of communica-

tion, and the reason I love the work that I am doing in films, television and radio is because it gives me an opportunity to try to follow the traditions of my ancestors, thereby setting an example for the Indians of North America.

The response in the letters I receive from people, both white and In-

dian, show that my work is having positive results.

May the Great Spirit love all the people involved in Young Canada's Book Week as long as the grass grows, and the rivers flow.

Teachers Institute reported practical and successful

The workshop-style institute attended by some 400 teachers throughout this area last Friday, was clearly a success from the point of view of practical help given.

Mr. Gish, Superintendent of Schools, St. Albert Protestant Separate School District No. 6, said that "he was impressed with the organization of the institute into small groups at grade levels." He felt that the attendance of Mr. L. Hyndman was "very timely" and that the "excellent resource personnel" made the day "very successful." Mr. Gish did feel that more time would have been beneficial in the group sessions.

Mr. Vince Maloney, Superintendent of Schools, St. Albert Public School District No. 3 had this to say about the institute: "It was very successful primarily because it was geared to the direct needs of the teacher."

"The institute provided an opportunity for teachers to participate in meaningful discussion about problems with which they were directly concerned. Many requests from teachers to use one day of the teachers convention in February as a second institute, indicates how valuable the sessions were. The leadership provided was excellent and the attendance indicated the high interest of teachers."

Mr. F. Robinson, Superintendent of Schools, Sturgeon School Division commented that the institute was very valuable because it was based on practical application rather than theory. He said that the Sturgeon teachers appreciated the opportunity to participate with the teachers in the other jurisdictions to make it possible to get top quality resource personnel.

Mr. Robinson also felt that the chance for Sturgeon teachers to meet with teachers in other areas was good but happened too infrequently.

The organization of the institute, under the direction of Mr. Anton Hesby of Sir George Simpson Junior High School and Mrs. Judy Urganhart of the Sturgeon Local working with Mrs. Mariel Martin of District No. 6 and Mr. George Soetaert of District No. 3, was commendable.

With a few minor exceptions the entire day seemed to be an overwhelming success.

Virtually all of the areas in the school program had planned sessions where communication of ideas and sharing of information took place. Refreshment of ideas on teaching methods, and re-evaluation of new materials were also part of each session.

The new Social Studies program, being the focus of the institute, boasted many excellent resource persons who worked at all

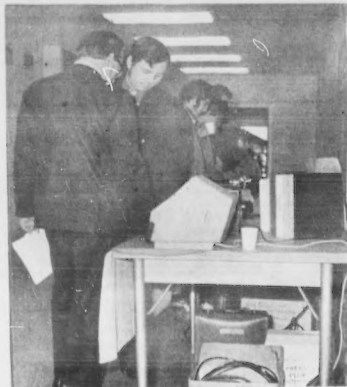

grade levels: Mrs. Kay Chernowski, Early Childhood Education Staff Development, Edmonton Public Schools; Mrs. Trink Graham, Grade one and two Teacher, County of Lac St. Anne; Mr. C. D. Ledgerwood, Chairman of Elementary Social Studies Curriculum Committee, Department of Education; Dr. Don Massey, Department of

Elementary Education, University of Alberta; Mr. Georges Robert, Supervisor of Social Studies Edmonton Separate School Board; Mrs. Donna Gunning, Staff Development, Edmonton Public School Board; Miss Phyllis Arnold, Curricular Associate, Edmonton Public School Board; publisher, Canadian Social Sciences Services; Mrs. Margaret Haughey, Social Studies Teacher (on leave of absence), Edmonton Public School Board, Author of Archaeology: Dig It and Co-author of The First Man, published by Canadian Social Sciences Services; Mr. Glen Manyuk Paul Kane High School, on the use of the Video-Tape,

Recorder in Social Studies, Mr. John Wood, Examinations Development Officer Department of Education.

Other subject areas had the following resource persons to direct sessions:

English: Mr. Fred Miller, Personnel Manager, Sherritt Gordon Mines; Drama: Mr. Brian Gromoff, University of Alberta; Physical Education: Mr. L. Sawula, University of Alberta; Mr. Henry Turik, Facilities Consultant, Department of Youth, Recreation and Cultural Affairs; Mathematics: Dr. Olson Dr. T. Kieran, University of Alberta;

Displays of new teaching equipment and materials were set up in hallways for teachers to investigate in-between sessions at the one-day institute held last Friday in St. Albert. Teachers from Sturgeon Division, Thibault, Legal and both St. Albert districts attended.

Photo shows part of a group of Grade 5 Social Studies teachers at workshop directed by Mr. Georges Robert, during the institute for area teachers last Friday. Small workshops formed a large part of the instruction and interchange of information at the institute.

RURAL RECREATION

By Carl Royan, Recreation Director, MD Sturgeon.

I have received little response to the various clinics that have been made available in recent weeks to the people of the MD.

These clinics are an extremely good opportunity for persons with a special interest in some recreational activity to become more accomplished in their specialty. The participant will become equipped to teach others as well. In this manner a hobby or skill can be shared with neighbors and friends.

Clinics are available in every aspect of recreation at some time throughout the year. Any person wishing to attend a clinic can contact me and fees will be

paid for by the recreation board.

In this manner there will be little expense to the participant. The only request of the recreation board is that a participant would return to their community and share their experiences with friends. This can be accomplished in different ways. A special program or club could be set up or the person could assist with some existing clubs such as 4H, cubs, and girl guides.

Some clinics that are available in the near future are: Weaving, at Fort Mac, Murray, on Nov. 24 to 28; Textile Printing, at St. Paul on Nov. 26-27-28; Hockey Coaches and Officials Clin-

ics in Legal, Morinville, and Bon Accord in December and advanced badminton instructors clinic on Nov. 28 at Barrhead.

For a recreation program to be most effective many good leaders are a necessity. Any person that has a special interest and is interested in sharing it with others can contact me at 424-6276 or 256-3321 between 1 - 3 daily. We can then together assess the need for such a program and work together setting it up.

I will be attending the "Get to know your Neighbour Night" in Gibbons on Friday, Nov. 26. The evening will commence at 8 p.m. and will be held in the community hall. As soon as the regular program is finished there will be a discussion on recreation and any questions about recreation can be answered.

Morinville students receive awards

Sharon Saunders, Grade 12 graduate, was awarded a \$100 scholarship by the Thibault school board, and a \$50 scholarship for achieving 95 per cent in Chemistry, donated and presented by Marcel Schayes, principal of Vanier High School. The trophy for highest average in Grade 12 also went to Sharon, with 79 per cent. Sharon was valedictorian for her class as well.

Carol Woytkiw was also a three-time winner, receiving the CWL prize of \$50 for best Grade 9 student, from President Mary Hittinger, and the trophy for high average, presented by Roger Blackburn of Thibault board. Carol's average was 83.9 per cent. The ATA trophy also went to Carol.

Taren Miller, with an 84.5 per cent average in Grade 10, and Sharon Van Harsant, with 84 per cent in Grade 11 received the other high mark trophies presented by the board.

Claudette Tailleux re-

ceived a \$25 cash award, presented by Madame Solange Baehndt of the Femmes Chretiennes, to the high school student earning the highest marks in French ACFA exams. Claudette scored 95 per cent.

Students Union awards were presented by President Terry Woytkiw to Dennis Leduc, the President's Trophy and Elaine Himschoot, the Yearbook Editor's award.

The awards were presented at the graduation exercises for Georges P. Vanier High School in Morinville recreation centre.

Canada works when we work together.

The Federal Government is putting 498 million dollars to work, through a series of specific programs, to help create jobs for Canadians. This message is designed to help you learn more in detail.

WORKING TOGETHER WITH THE INDIVIDUAL

We're encouraging you to act on your own initiative or through local government organizations and service groups to come up with ideas for our Local Initiatives Program. For example, you may wish to develop a day care centre in your town or any number of services that will make your community a better place.

There's also a Training-on-the-Job Program that will work through business and industry to expand opportunities for those who are unemployed or have little work experience.

If you have some basic experience we've extended the Canada Manpower Training Program to help provide you with additional training.

WORKING TOGETHER WITH BUSINESS AND INDUSTRY

There's a program of tax incentives or grant payments to employers to encourage them to add trainees to their staffs through the Training-on-the-Job Program. This will help the trainee get work experience that he can use in many jobs.

WORKING TOGETHER WITH THE MUNICIPALITIES

The foundation of our municipal activity is the previously mentioned Local Initiatives Program. This will help you support and spur community projects that will give jobs to people in your community who find themselves unemployed.

WORKING TOGETHER WITH THE PROVINCES

Obviously, the municipal Local Initiatives Program will tie in closely with the Provinces.

So will our Special Development Loans Program that will finance new capital works projects. We'll be speeding up mortgage approvals through the Central Mortgage and Housing Corporation to get homes, student housing and sewage treatment projects under way.

We also will be making loans to exhibition commissions, boards and associations to get you working on multi-purpose fair and trade buildings.

WORKING TOGETHER WITH FEDERAL WORKS

On our level, we'll be working to give you more job opportunities on maintenance and improvement activities on Federal buildings; transportation facilities; forest and park projects; and many others.

WHERE IT ALL WORKS TOGETHER

The job starts at your Canada Manpower Centre. For advice and assistance on any of the programs that you feel apply to you or your community, contact your local Canada Manpower Centre. They'll be happy to help you with all the information they have.

When Canadians get involved together, Canada works.

October and November meetings of the BA Ladies Community Club were held at the homes of Thalia Critchley and Olga Ferbey respectively. Winners of the hostess prizes were Pat Reynolds and Frances Kaler. Members have been busy lately with wedding catering services, the turkey supper and the autumn dance. Plans are completed for the New Year's Eve Ball. Tickets will be available soon from all club members. For more information, contact Doreen Hewitt, phone 298-3581. Due to the overbooking of last year's dance, no tickets will be sold at the door. A cut-off date for advance sale of tickets has been set for Monday, Dec. 20. Ladies of the district, who contributed their "tried and true" recipes will be happy to hear that it won't be too long before the club sponsored cook book will be ready for sale. To date the LCC have donated \$1,700 to the community centre. The Christmas meeting will be held at the home of Edith

Kowalski on Wednesday, December 8.

The United Church Women report a very successful fall supper. The regular UCW meetings are held on the first Wednesday of the month at 2:30 in the church.

A pot luck supper, honoring all fastball and baseball players, will be held in the community centre on Nov. 21, beginning at 5:30. Please bring your ball-playing offspring, a pot and a dollar. Ball fans are cordially invited to attend also.

Friends gathered at the home of Frank and Marie Weinzierl on Saturday, Nov. 13 to wish them well on the occasion of their silver wedding anniversary.

We welcome to the district Mr. and Mrs. Jim Long and daughter, who are residing in the former home of Harold and Elsie Melick.

41st's Terry and Lori Betchuk made a bad start this year with the loss of

one of their 411 steers shortly after purchase. The steer is a hereford weighing about 500 pounds and was last seen heading in the direction of Sunnyside. Any information would be gratefully received by the boys.

The date for the Lion's turkey bingo has been set for Dec. 1 in the BA community centre. There will be a door prize on advance sale tickets as in previous years. Tickets may be obtained from any Lion member or at Village Superette. Clubs and scouts are co-sponsors with the Lions.

Tax proposals topic of Uniform meeting

Mr. Elmer Allen, Uniform research economist, will speak on "Federal Government Tax Proposals" at a Uniform District 52 meeting at the Nannoo Community Hall, Monday, November 29 at 8 p.m.

Proposed changes from "straight line" to "diminishing balance" depreciation, elimination of "basic hard," and introduction of "Capital Gains Tax" are of vital concern to farmers. In some cases, action taken by a farmer before the new legislation comes into effect will avoid excessive taxes later.

Five delegates will be

elected at the meeting to represent the district at the second annual Uniform convention at the Macdonald Hotel, Edmonton, December 7-10.

Local secretaries will accept 1972 memberships from both old and new members at the meeting. All district farmers and their wives are welcome.

Morinville Credit Union experiences considerable growth

The Morinville Credit Union announced recently that they are growing at a fast pace.

The manager, Maurice Perras, notes that the credit union's assets as at Sept. 30, 1971 had reached a total of \$949,000.00, compared to \$688,000.00, at Dec. 31, 1970. This is an increase of \$261,000.00 for the third quarter of 1971.

The Credit Union is hopeful that they will reach the projected \$1,000,000.00 by Dec. 31, 1971.

This is very encouraging says Manager Perras, and it shows that there is a growing trend in the financial field towards the Credit

Union movement. People are becoming more aware of the advantages of owning their own financial institutions.

The Credit Union also announced that they have recently purchased the property immediately east of the present Credit Union office.

A new office building is planned for future expansion. They are hopeful that construction will begin perhaps in the early spring of 1972.

The Credit Union at present employ four employees including the manager, Maurice Perras. They are Dolores Calder, Connie Woytkiw, and Gabrielle Morin.

Depression Pete - brainchild of Legal residents

By Lucienne Montpetit
Who is Depression Pete?
Where does he come from?

This rugged looking man has some measurements! He stands six feet six inches tall, without a hat; and his other measurements are 60 - 48 - 34 in the usual order!

His head alone weighs 67 pounds. The total weight of this rough looking man is approximately 400 pounds. Marcel Coulombe and Lucien Bergevin, both in the welding trade, spent many hours and evenings designing this unique creature.

Lucien is employed by the Municipal District of Sturgeon while Marcel is the owner and operator of Legal Welding.

These two men had the idea of using discarded parts from various industrial, automotive, agricultural and oil field machines, and welding them together to create Depression Pete.

Depression Pete was entered in the Klondike Days parade and won first prize in Legal at the Pete au Village parade. Pete can be seen at the Legal Welding Shop.

Showing his "pile of art" to overwhelmed visitors is Marcel Coulombe, who, together with Lucien Bergevin designed Depression Pete.

Report from Gibbons

By Gladys Morin

At their Nov. 8 regular meeting, the Gibbons Lions made preparations for the dance to be held Nov. 19. It was announced that the district governor will attend the November 23 meeting. All members are urged to be present!

The ceiling in the new addition of the hall is nearing completion. The help of Earl Yeo and Rennie Gibbons is greatly appreciated.

There was an excellent attendance at the Nov. 11 parade and ceremony. Hot dogs and cocoa were served to the children and refreshments and lunch to the adults.

Construction has started on a new meat market. The owners look for a completion date early in the new year.

Jim Jenkins dies at 87

Bon Accord and district suffered the loss of another of its pioneer settlers with the passing of Mr. Robert James Jenkins (Jim) on Nov. 12 at the Norwood Auxiliary Hospital at the age of 87 years.

He was predeceased by his wife Edith, Oct. 28, 1966. He leaves a family of eight children, 35 grandchildren and 49 great grandchildren, also one brother and two sisters.

Mr. Jenkins came to Alberta with his parents from Appeldore, Ontario, in 1893 and settled in the Bon Accord district in 1898. He married the former Edith Schofield in 1907 and farmed in the area until 1967 when the farm was sold to son-in-law Stan Kowalski.

Mr. Jenkins was always an avid gardener despite the fact that he was blind for many years. He was a

staunch supporter of community work in Bon Accord and active in the Reorganized Latter Day Saints church.

He moved from the family farm with his son Archie to the village of Bon Accord in 1967 and in 1969 became a resident of Norwood Auxiliary Hospital.

Town of St. Albert

Notice of Intention

Notice is hereby given that the council of the Town of St. Albert deem it advisable to close the most northerly forty (40) feet of the forty (40) foot wide lane as shown on Subdivision Plan 243 K.S. that lies north of Lot 40 and between Lots 54 and 55 as shown on the said plan.

Section 175 of the Municipal Government Act, Chapter 240 R.S.A. 1970 provides that council, subject to the approval of the Minister of Highways, may pass a by-law for this purpose.

By-Law #36/71 has been prepared and will be presented to council on December 20, 1971 for first and second reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on November 24, 1971.

Before the passing of this by-law, a person who claims that land in which he is interested as owner, mortgagee or otherwise will be affected prejudicially by the by-law and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by an agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed by-law will be received by the Secretary-Treasurer at his office until December 16, 1971.

D. R. O'Connell
Secretary-Treasurer.

MORINVILLE MEMOS

By Rose Martel

Remembrance Day was celebrated in Morinville with a short service in the Legion Hall, followed by a parade by Legion members, the Ladies Auxiliary, brownies, guides and cubs. Several wreaths were laid by Legion and Auxiliary members, as well as by Mayor Art Stapleton, on behalf of the town. The Morinville Drum and Bugle Band headed the parade, under the direction of Rev. G. H. Primeau. A smoker was held later in the afternoon for the members and invited guests.

Linda Charest was entertained at a cash shower in the Recreation Centre on Nov. 12 with some 43 ladies present. Hostesses for the evening were Odelle Chevalier and Jeanne Ethier. Seated at the head table were Miss Charest and her mother, Mrs. Eugene Charest, and the three bridesmaids, Georgina Merrier, Yvonne Ethier and Pauline Krauskopf. The bride to be was presented with a set of children wear and a purse. Linda and William Windsor will be married in Morinville on December 18.

Michel St. Germain, now of White Horse Yukon, was a weekend visitor at the home of his grandmother, Mrs. Alice St. Germain.

The United Church Ladies held elections at the home of Ledia Baer recently. Mrs. Borj Carlson was re-elected for another term as president, Mrs. Carol West is vice-president and in charge of publicity; Mrs. Ledia Baer was elected secretary, and Mrs. Jo Anderson is the treasurer. The ladies will hold a Christmas bake sale on Saturday morning, December 11 beginning at 10 in the Morinville Hardware. Coffee and tea will be served in the morning and afternoon. The community is invited to patronize this opportunity to support the ladies of the United Church.

St. Albert High

By Karen Donalds
SR. HIGH VOLLEYBALL
The senior girls A team came in second at a tournament at Ardrossan last Saturday and the B team came in third at their tournament at Salsbury. The senior boys played real well at Ardrossan but unfortunately did not win a game. They played three out of the eight teams invited, Paul Kane, Salsbury and Westlock.

There will be a girls tournament starting at 9 a.m. at St. Albert High this Saturday, November 20. The teams invited are Paul Kane, Salsbury, Jasper Place and Onaway. Come out and support your team.
JR. HIGH VOLLEYBALL
The junior high volleyball league will begin on Tuesday, November 23. Matches will be played each Tuesday and Thursday for three weeks. An exhibition

The Ceramics Club will hold a sale of homemade articles and attractive gifts in the Morinville Hardware, Saturday, December 4. All items are made by local and district ladies.

Word of the death of Rev. Father Herman Boniface, OFM, the first Franciscan to come to the North West Territories and founder of St. Anthony's college in Edmonton, has been received. He was 91. Rev. Father Boniface was a well known missionary who worked throughout this district, including Lamoureux, Onaway, Westlock, St. Albert and Morinville from 1909 till 1927. He was a great writer, historian and spoke five languages.

Wilfred and Marcel Labonte, accompanied by two friends are out hunting. Oswald Chevalier and Roger Bougie brought home a moose last week. They hunted in the Whitecourt area.

The Red Cross blood clinic held in Morinville last week netted 75 points of blood. The ladies who canvassed in the town report a net sum of \$352.40 was collected. Conveners were Gabrielle Ricard, Louise Billo, Solange Bachand and Germaine Beland.

The Fireman's Ball, a big annual event for Morinville, is scheduled for Saturday, Nov. 27. Advance tickets are available at all local business places.

Next Sunday all roads lead to Meurons Community Hall, where the local CWL will host their annual turkey supper, beginning at 5 p.m. This is family night for all interested groups who want to enjoy good homecooked food.

The Frontier Daze committee will hold their annual meeting on November 29 in the International Building, at 8 p.m.

match was played yesterday, another is slated for tomorrow.

The junior teams are presently practising twice a week and should be in top form for the first league game.

Basketball practices will commence sometime in the next week so if you're interested, keep an open ear for the announcements.

COFFEE HOUSE:

The teen centre for St. Albert (the only thing for the teens) opened again on November 7. It will be open to the teens of St. Albert on the weekends.

HCV

Holiday Community Volunteers are raffling a cassette recorder to raise funds. Tickets are only 25¢ each. Buy a ticket from Sharon Willis or Sylvia LeBlanc and help the HCV with their summer projects. Draw is November 20.

Les Femmes Chretiennes will hold their regular meeting on Tuesday, Nov. 23, in the recreation centre. The meeting will hear reports on the school trustees convention.

All mothers and children who wish to take part in the figure skating program are invited to attend the registration meeting, Nov. 23, in the basement of the rec. centre. Mothers must accompany their children for registration. Carol West is the co-ordinator.

Ice is being made in the area, and both skating and curling should get underway this week.

Paul Krauskopf is the newly elected treasurer and reporter for the Morinville Sports Association in charge of winter sports events. Let's hope that all hockey coaches and managers will give him support and cooperation.

The Sturgeon Association for Children with Learning Disabilities will hold a meeting on Thursday, November 25 at 8 p.m. in Notre Dame school. All interested residents of the town and district are urged to attend this meeting, which will be chaired by Audrey Graham, local president.

Cardiff Column

Jim Mickelson returned home from a successful big game hunt in the Athabasca district at Baylake Lake where he brought down a three year old bull moose.

Mrs. Owen Knoll was a recent patient in the Sturgeon General Hospital.

Ryan Vranas and Peter Mickelson organized skating party and wienner roast last Saturday. About 30 adults and children were present. With a bit more snow the hills will be ready for tobogganing. Then all outdoor winter sports may be enjoyed by everyone in Cardiff.

The girl guides, because of their concern for the preservation of trees, are no longer building open fires at their campsites and have switched to doing their outdoor cooking on barbecues. The girls now find themselves in need of barbecues as well as all types of camping utensils. Donations of such items will be gratefully accepted and may be taken to the St. Albert Roman Catholic church on Saturday, November 20 between the hours of 11 a.m. and 3 p.m.

A hearty invitation is extended to the community to attend the annual girl guide bazaar and luncheon, to be held at the St. Albert Roman Catholic church this Saturday, Nov. 20 from 11 - 3. The girls have been busy

As I See It

By Rose Martel

This week is National Young Canadian Book Week, and what an opportunity for parents to invest in the best pastime for youngsters and teen-agers...

...a good home library. Books, be it picture coloring books for a two year old, or a reference book for adults, or a good paperback, nothing is better than good books for home use at any age.

A good home library is the best way to eliminate

boredom, to educate, to get reliable reference and to keep up with the times and current events.

Unfortunately, we Canadians lack a great deal of our own colorful history in book form. Our school text books for the majority are American oriented. The publishing houses are American owned and although many may be labelled Canadian, the local history and Canadian content are small, compared with the American authors and professors who contribute a great majority of the material for study, in a great number of school subjects today.

As I see it -- If our economy and history is as worth recording and upholding, then why are they not prime subjects of studies in our Canadian schools, colleges and universities? Why the steady influx and hiring of Americans and other foreigners in our schools, and universities in such

great numbers today as teachers and professors?

There are many good, interesting and colorful story books to be found in Canada, but very few book stores, local drug stores and confectionaries, where normally books are sold, where a Canadian Section is displayed, and given preference over the other selections.

May I suggest, to young parents, to invest in good books, stock up a good variety of reference editions, in history, study of economics, animals, study of plants, Canadian flowers, Canadian birds. Children today are interested in real Canadian Arctic stories, such as the life of Wop May and other early northern pilots. Real Canadian stories about Chief Great Bear and other stories about real Canadian Indians, or Canadian North West Mounted Police are great to build a real Canadian heritage in every Canadian home.

LFC hears reports and plans events

By Lucienne Montpetit

Les Femmes Chretiennes held their monthly meeting last Monday, at which time reports were presented by the various committees.

The social committee will organize a program for the Westlock Auxiliary Hospital A Christmas party for the members and their husbands was also discussed.

The welcoming committee reported they have visited 11 newly arrived families in the village and they plan to visit six more new residents.

Mrs. Beatrice Carrier, rummage sale chairman, reported a sale will be held on Nov. 23 and 24 at the Rec. Centre - proceeds for brownies and guides.

Sylvia Blodeau was the winner of the award given by the organization for the grade 10 student having the highest mark in advanced French.

The members agreed to donate \$30 to help the brownies and guides, and \$20 to the figure skating club.

Small crowd at concert

By Lucienne Montpetit

It was very disappointing to see so few people at the "Bonne Chanson," presented by a group from St. Paul and Bonnyville. But it was gratifying to see a number of students among the audience enjoying the performances.

The evening program included a variety of numbers such as monologues, sing songs, jokes, folklore and semi classical songs plus some of our local talent.

All the performers dis-

played a tremendous amount of talent. The emcee was Jovial - Roland Lajole from Bonnyville. Singers Ghislain Bergeron and Mrs. Therese Dallaire were accompanied by Gerald Landry on the piano; Laurier Joly on the drums, Paul Logasse at the guitar and Guy Coyette at the piano.

The local artists included Paulette Laplante and Lorraine Sabourin, Denis Nault, Patsy Montpetit and leading the sing-a-long was Raymond Tremblay.
